THE FRIENDS OF THE BLANDING LIBRARY

The Friends of the Blanding Library is a volunteer organization responsible for raising funds to support the Rehoboth Blanding Library.

With your support, contributions from memberships provide benefits and resources to the Blanding Library that help to provide programs to both adults and children. The Blanding Library Staff is always searching for new and creative ideas to engage our town to utilize these benefits. These programs range from craft projects to reading programs to educational activities. Thanks to these membership contributions, these funds create enrichment for the residents of Rehoboth and nearby communities that otherwise we would not be able to offer.

Given the history of the Town and the Library itself, we appreciate your support by becoming a member of the Friends to further enhance these activities for our growing town.

Your contribution makes a difference.

Thank you for considering becoming a member today. Please see other side of form for further information.

The Friends of The Blanding Library is a 501-C3 organization and qualifies as a tax deductible donation.
